EXECUTIVE SUMMARY

Accomplished Senior Lecturer and Researcher holding a Ph.D. from Universiti Kebangsaan Malaysia (UKM), recognized with the ***"Tesis Cemerlang"*** and ***Graduate on Time (GOT)*** distinction. with a proven track record of heading university informatics departments. A globally recognized scholar and active Q1 journal reviewer (*IEEE Access*, *Computers in Human Behavior*). Recipient of the prestigious Global Panduit-Cisco Excellence Scholarship and an accomplished book author. Research at the intersection of Human-Computer Interaction (HCI), philosophy, and digital ethics focuses on the engineering of trustworthy multimodal AI architectures to drive positive behavioral change.

WORK EXPERIENCE

Senior Lecture

2025 - PRESENT

Faculty of Data Science and Information Technology (FDSIT), INTI International University

- **Curriculum Design:** Developed and delivered advanced undergraduate and postgraduate IT/Data Science curricula
- **Research Mentorship:** Supervised and mentored post and undergraduate students through rigorous thesis methodologies and publication-ready research
- **Academic Quality Control:** Spearheaded internal quality assurance and program compliance to align instructional design with national and institutional accreditation standards

QS Deputy Director FDSIT

2026

Faculty of Data Science and Information Technology (FDSIT), INTI International University

- **Strategic Ranking Management:** Spearheaded faculty initiatives to align research outputs, citations, and academic reputations with global QS World University Ranking metrics
- **Reputation & Vote Optimization:** Cultivated a strategic network of international academic and employer contacts to secure positive votes during global reputation surveys

Head of Master Program in Informatics

2023 - 2024

Master of Informatics Engineering, Universitas Bina Darma

- Directed curriculum delivery, research initiatives, and community service programs to fulfill "*Tri Dharma Perguruan Tinggi*" mandates for the Master of Informatics Engineering Program

ZAID AMIN, PH.D.

SENIOR LECTURE AND RESEARCHER

WORK EXPERIENCE

Head of Information Systems Study Program

2022 - 2023

Information Systems Study Program, Universitas Bina Darma

- Directed curriculum delivery, research initiatives, and community service programs to fulfill *"Tri Dharma Perguruan Tinggi"* mandates for the Information Systems Study Program

Head of Informatics Engineering Study Program

2013 - 2014

Informatics Engineering Study Program, PalComTech Institute of Technology and Business

- Directed curriculum delivery, research initiatives, and community service programs to fulfill *"Tri Dharma Perguruan Tinggi"* mandates for the Informatics Engineering Study Program

Head of Graphic Design and Multimedia Editing

2006 - 2011

Palembang Television (PALTV)

- Directed end-to-end post-production phases, from conceptual proposal and creative development to the final application of the branding TVC (Television Commercial) for Palembang Television (PALTV)

Lecturer in Faculty of Informatics Engineering

2014 - 2025

Informatics Engineering Study Program, Universitas Bina Darma

- Fulfilled *"Tri Dharma Perguruan Tinggi"* mandates through active curriculum instruction, peer-reviewed research, and community engagement programs within the Informatics Engineering Study Program

Lecturer in Faculty of Informatics Engineering

2012 - 2014

Informatics Engineering Study Program, PalComTech Institute of Technology and Business

- Fulfilled *"Tri Dharma Perguruan Tinggi"* mandates through active curriculum instruction, peer-reviewed research, and community engagement programs within the Informatics Engineering Study Program

Program Instructor, 1-Year Certification Course

2005 - 2006

Certification Program, PalComTech Institute of Technology and Business

- Delivered comprehensive training in Networking (LAN/WAN, Wireless systems, and Windows Server 2003 Administration), Graphic Design, Computer Hardware Engineering, and 3D Studio Max for the 1-Year Professional Certification Program.

Software Developer of DEPKOMINFO Kota Palembang

2004 - 2005

DEPKOMINFO ("Dinas Komunikasi dan Informatika") Kota Palembang, South Sumatera

- Developed an interactive, modular multimedia application ("*CD Interaktif*") serving as the official digital tourist guide for the State Government of South Sumatera Province, Indonesia.

SENIOR LECTURE AND RESEARCHER

EDUCATION

Doctor of Philosophy (Ph.D.)

2018 - 2022

Institute of Visual Informatics (IVI), Universiti Kebangsaan Malaysia (UKM)

- Graduate from Universiti Kebangsaan Malaysia (UKM) with a PhD Degree in Computer Science, achieved with the distinctions of ***Tesis Cemerlang*** **(Excellent Thesis) and Graduate on Time (GOT)**, with a core focus on **Human-Computer Interaction (HCI)** - https://rb.gy/17jxwp

Master's Degree

2011 - 2014

Master of Informatics Engineering Study Program, Universitas Bina Darma

- Graduate from Universitas Bina Darma, holding a Master of Informatics Engineering degree (M.Kom) with a core specialization in **IT Infrastructure** - http://bit.ly/44vsbOH

Bachelor's Degree

2007 - 2011

Informatics Engineering Study Program, PalComTech Institute of Technology and Business

- Graduate from the Informatics Engineering Study Program at PalComTech Institute of Technology and Business, holding a Bachelor's Degree with a core focus on **Network Engineering** - https://bit.ly/3ZNVVnr

Professional Certification

2004 - 2005

Informatics Engineering Study Program, PalComTech Institute of Technology and Business

- Graduate from PalComTech Institute of Technology and Business with a 1-Year Computer Professional Program credential, holding a Professional Certification with a core focus on **Graphic and Multimedia Design**

Sekolah Menengah Umum (SMU)

2001 - 2004

Sekolah Menengah Umum (SMU) Negeri 5, Palembang, Indonesia

- Graduate from Sekolah Menengah Umum (SMU) Negeri 5, Palembang, completing secondary education with a focus on **social science** stream tracking

ACHIEVEMENTS & RESEARCH GRANTS

Chairman of Conference

2024

Universitas Bina Darma

- As the Chairman of the "*7th International Conference on Information Technology, Engineering and Business Application (ICIBA) and the 3rd Social Science & Economic International Conference (SOSEIC) 2025*" at Universitas Bina Darma, Indonesia- https://tinyurl.com/574tc5um and https://rb.gy/p7wbgj

The Best Presenter Award

2024

Universitas Muhammadiyah Yogyakarta

- Recipient of The Best Presenter Award at a Scopus-indexed IEEE Xplore international conference held at Universitas Muhammadiyah Yogyakarta, recognizing outstanding academic presentation and research delivery - https://tinyurl.com/3s3r8nzy

ACHIEVEMENTS & RESEARCH GRANTS

The Best Poster Award
2021

Institute of Visual Informatics (IVI), Universiti Kebangsaan Malaysia (UKM)

- Recognized as the Special Best Poster Presenter at the "*1st International Postgraduate Seminar on Industrial Revolution 4.0*" (IPSIR4.0), organized by the Institute of IR4.0 at Universiti Kebangsaan Malaysia (UKM) - https://tinyurl.com/ymncxv4z

Awarded as 2nd Runner up South Sumatera Inovator Award
2025

Innovative Research Award 2025 | Provincial Government of South Sumatra, Indonesia

- Awarded for the project: "*Srivijayapedia: Exploring Digital Heritage of Srivijaya Using Immersive Technology*"

Research Grant Recipient (GPK-4IR-2020-019)
2020

Institute of Visual Informatics (IVI), Universiti Kebangsaan Malaysia (UKM)

- Research Grant Recipient (GPK-4IR-2020-019): Secured research funding from Universiti Kebangsaan Malaysia (UKM) for advanced project development under the 4IR framework

Panduit Cisco Excellence Scholarship (CLI) Recipient
2008

Cisco Learning Institute

- Selected as one of only 40 recipients worldwide to receive this prestigious education grant from the Cisco Learning Institute and Cisco Networking Academy Program (CNAP) - https://tinyurl.com/3344jvnm

Favorite Lecturer
2013

Informatics Engineering Study Program, PalComTech Institute of Technology and Business

- Demonstrated a strong commitment to student engagement and pedagogical excellence by winning the Favorite Lecturer Award (2013)

External PhD Proposal Examiner
2024

Institute of Visual Informatics (IVI), Universiti Kebangsaan Malaysia (UKM)

- Contributing expert evaluation to advanced academic research milestones by serving as an External Examiner for a Doctoral/PhD Proposal Defense - https://rb.gy/17oyi7

International Research Fellow
2023

INTI International University

- Advancing global academic collaboration and driving high-impact scholarly output as an International Research Fellow (2023 – 2025), contributing to the research ecosystem at INTI International University - https://rb.gy/33p8q3

ACHIEVEMENTS & RESEARCH GRANTS

Top 40% of Competitors in the Asia-Pacific (APAC) Region — 2008

Academy Netspace Competition, CISCO, Inc

- Demonstrating elite technical skill and network engineering proficiency by ranking in the Top 40% of Competitors in the Asia-Pacific (APAC) Region during the Academy Netspace Competition

National Competitive Community Service Grant — 2025

National Competitive Community Service Grant ("Hibah Pengabdian kepada Masyarakat"), Indonesia

- Driving community technology transfer for the instant ginger smart farming project at UPPKA Kampung KB Palembang, funded by the National Competitive Community Service Grant (Community Partnership Empowerment Scheme), Indonesia

University Multidisciplinary Research Grants — 2024

Universitas Bina Darma

- Spearheading institutional Internal Grant project titled *"Enhancement of Universitas Bina Darma's PRIDE Quality Culture Implementation Using Persuasive Technology and Internal Marketing via Gamification"*

University Multidisciplinary Research Grants — 2023

Universitas Bina Darma

- Driving socio-political innovation through the project "*Development of a Digital Visual Selective Attention System (VSAS) Platform Based on Sociotechnical Design*", engineered to enhance communication channels, fair, and transparent democratic participation in Indonesia

National Competitive Research Grant Program — 2017

National Competitive Research Grant, Indonesia

- Advancing computational infrastructure through the project "*Multi-Tier Architecture Models and Routing Protocols on Server Clusters for Big Data Implementation*", engineered to optimize high-volume data processing, system scalability, and network efficiency

Web Design Championships — 2006

Informatics Engineering Study Program, PalComTech Institute of Technology and Business

- Demonstrating technical excellence and creative problem-solving as the **Champion II** of the Web Design Competition, showcasing front-end innovation

Digital Media & Animation Awards — 2006

Informatics Engineering Study Program, PalComTech Institute of Technology and Business

- Demonstrating excellence in digital media production and multimedia design as **Champion II** in the Greeting Contest Animation
